**ELIGIBILITY**

Programs are open to learners of all ages.

**CANCELLATION POLICY:**

We understand that situations may occur which require you to cancel your trip. We certainly hope this will not be the case, however, having adequate insurance is crucial. Global Journeys Academy has several plans to offer you and we recommend you do purchase insurance.

**In the event that something prevents you from travelling, here is our cancellation policy:**

Cancellations must be received by Global Journeys Academy of Learning Inc. in writing. In the event of cancellation during or prior to a program due to medical reasons or bereavement, and if insurance has been purchased - all appropriate documentation must be submitted to the respective insurance company which will review your file and process any refunds in accordance with the insurance policy.

Cancellations received up to 2 months before program departure date will be refunded in full excluding an administration fee of \$200. In addition, please note insurance premiums are non-refundable once you have registered.

Cancellations received between 2 months and up to 1 month prior to departure will receive 50% of funds issued to Global Journeys Academy along with the insurance premium.

Cancellations received between 1 month and date of departure will forfeit the entire cost of the program.

No refunds will be issued once a program has commenced unless cancellation is due to medical reasons or bereavement.

**TRAVEL INSURANCE**

**Full Medical and Cancellation Insurance is highly recommended.**

The Insurance we offer is a comprehensive deluxe package which provides cancellation, interruption, medical, emergency medical, baggage delays, loss of personal effects, flight accident, travel accident, and emergency transportation (flight home) coverage.

Premiums are non-refundable after date of purchase and must be requested and paid for when application is submitted or within 3 days of applying. Please call us for details.

**Trip Cancellation Insurance coverage begins at the time and date you pay the premium for that coverage - shown as the purchase date on your invoice once your program application has been processed. If you purchase insurance after you submit your application, the policy becomes effective on the date of request for insurance.**
