ELIGIBILITY

Programs are open to learners of all ages.

CANCELLATION POLICY:

We understand that situations may occur which require you to cancel your trip. We certainly hope this will not be the case, however, having adequate insurance is mandatory. Global Journeys Academy has several plans to offer you and we recommend you purchase our insurance.

In the event that something prevents you from travelling, here is our cancellation policy:

Cancellations must be received by Global Journeys Academy of Learning Inc. in writing. In the event of cancellation during or prior to a program due to medical reasons (excluding those related to COVID-19) or bereavement, and if insurance has been purchased, all appropriate documentation must be submitted to the respective insurance company which will review your file and process any refunds in accordance with the insurance policy.

Cancellations (including those due to COVID-19) made up to 2 months before program departure date will be refunded in full excluding an administration fee of \$300. Please also note that insurance premiums are non-refundable.

Cancellations (including those due to COVID-19) made between 2 months and up to 2 weeks prior to departure will be refunded 50% of funds issued to Global Journeys Academy. Please also note that insurance premiums are non-refundable.

Cancellations (including those due to COVID-19) received between 2 weeks and the date of departure will forfeit the entire cost of the program.

No refunds will be issued once a program has commenced.

TRAVEL INSURANCE

Full Medical / Cancellation / Interruption Insurance is *mandatory*.

The Insurance we offer is a comprehensive package which provides cancellation, interruption, medical, emergency medical, baggage delays, loss of personal effects, flight accident, travel accident, and emergency transportation (flight home) coverage. *It does not, however, cover cancellation, interruption or expenses incurred due to COVID-19, which has been deemed a "known event" by our insurance provider. For further information about our COVID-19 safety measures, see our Help page.*

Insurance and must be requested and paid for when application is submitted. Should you decide not to purchase insurance through us, you will be required to supply Global Journeys Academy with evidence of out-of-province medical coverage, as well as cancellation and interruption insurance *within 48 hours of your application*. A member of our staff will contact you to discuss insurance options and ensure that you have proper coverage.

Trip Cancellation Insurance coverage begins at the time and date you pay the premium for that coverage - shown as the purchase date on your invoice once your program application has been processed. If you purchase insurance after you submit your application, the policy becomes effective on the date of request for insurance.
